## Recommended use

Highly effective in removing marks left by lime scale, rust and old, neglected dirt, yet respects materials and the environment.

Thanks to its corrosion inhibitor it guarantees chrome, light alloys (metals, brass, copper, etc.) are respected, and at the same time it shines and polishes all metals. Excellent demister for shower enclosures.

The product is ready-for-use. Normally used with a nebuliser by spraying on the surface. Can also be used with a damp sponge.

## Packaging available
