Specific weight

1.030 kg/l

Fragrance

Perfumed

Recommendations

Carefully follow the instructions and warnings on the label.

For steel, enamelled ceramic drains, etc. or very small drains Use a small plastic funnel to pour the product. You are advised to always wear PVC or Latex gloves.

Directions for use**SEQUENCE****PROCEDURE**

1

Remove any excess water from the drain.

2

Very slowly pour into the blocked drain.

3

Wait 30" and then pour a litre of cold water. Allow to work for 2-3 minutes, then drain/pour water to allow the blockage to flow away.

Packaging available

750ml
