

Description

VEGETAL SOLVENT

Consists 90% of bidistilled orange peel, with excellent cleaning and deodorising properties. Extraordinary absorption of oil and grease molecules.

Details

Product specifications

100% VEGETAL

EXCELLENT DETERGENT AND SOLVENT

RESTRICTED FOAMING

LOW FLAMMABILITY

DOES NOT REQUIRE USE OF MASKS, VENTILATION HOODS

Physical-Chemical Properties

	Product
Colour and Appearance	Orange-yellow liquid
Specific weight	0.870 kg/l
Fragrance	Pleasant orange perfume
Flash point	> 48°C

Small metal parts

Use neat or diluted at 50% in water.

Machine Tools and Floors

Dilute at 10% in water. Spray on the surfaces with a nebuliser and remove the emulsified dirt.

Tar substances

Use neat or diluted at 50% in water if there is not much tar.

Ink rollers

Use neat or diluted at 50% in water according to the required evaporation time. Does not damage or dry out rubber.

Silicone, Mastic, Thiokol

Use neat or diluted at 50% in water, where permitted.

Water collection pits – Food processing laboratories**Canteens - Abattoirs**

Insert 10 litres neat product for every surface square metre into the pit. In this case, the product will separate from the water after a few minutes and will rise to the surface and float on the mass below. It thus creates a barrier for bad odours and emulsifies the oil and fat in the well.

Recommended use

Packaging available

5l
