Product specifications

INFO

MULTI-PURPOSE

Cleans - Polishes

DEMISTER

Ideal for shower enclosures

DESCALER

Eliminates water residues

Physical-Chemical Properties

Colour and Appearance

Concentrated product

Blue liquid

Specific weight

1.030 kg/l

Fragrance

Citrus

Water stains (limescale) on glass doors or windows, on taps, in the shower and on many other surfaces and metals create anti-aesthetic marks that are difficult to remove. The high concentration of minerals, such as calcium and magnesium, leaves residues and facilitates oxidation, which cannot be removed by normal cleaning and with ordinary products. With a natural base (citric acid), **CITRUS** provides a specific, effective solution to the problem.

Details and Recommended Use

HOW TO USE: Spray the product directly on the surface and leave to work for less than one minute. Clean and rinse.

SHOWER ENCLOSURE: To demist, spray on the clean enclosure and leave to dry naturally.

Packaging available

750ml with ready to use sprayer
